## Our Story

Story is owned by Karen Morgan, a passionate lover of flowers. Our team is based in Kloof and we deliver to the Upper Highway area, as well as most areas in Durban.

It is our hands on approach that gives us the competitive edge which we believe is our main strength...along with our choice of beautiful and unusual flowers.

We are also members of interflora, which enable us to reach all major towns in South Africa, as well as internationally.

Clients include, Derivco, Hirt and Carter, Grindrod Private Bank, Baker Tilly Morrison Murray, Hillcrest Private Hospital, Bellevue Café and others.
